In an effort to streamline and expedite inspections, beginning in April 2020, with City issued building permits, you may contact the inspection team at Bureau Veritas directly at 800--906-7199 or email inspectionstx@bureauveritas.com. Builders will receive the contact numbers and emails plus list of inspections, and you may also obtain that information from project builder. Email the City if you need help on culverts and other project inspections not on Bureau Veritas list
