

To our Post Oak Bend Friends and Family.

As I write this on Tuesday, 12/15/20, Christmas is just a short 10 days from now and the end of 2020 and beginning of 2021 is just 16 days from now. This has been a challenging year for so many people, but my prayer is that as we approach 2021, we will begin to see the light at the end of this long dark tunnel of 2020.

Even those who have gone through some difficult times this year have much to be thankful for. One of the things we can be thankful for is our community. Post Oak Bend is a great place to live and for those of you with children, it is a great place to raise a family. We have seen many new people buy property in POB as well as new homes that are beginning to be built. Post Oak Bend is growing.

I want to say a special thank you to council member Alison Novak and city administrator Barbara Bedrick. Both have worked together to start two new traditions that I hope will continue growing forward for many, many years. They put up our first city Christmas tree at the community center and they have started a Christmas house decorating contest. There will be prizes given for the winner. These are just 2 things that bring our community closer together and make Post Oak Bend the home we love.

We look forward to working for you all in 2021.

Merry Christmas and Happy New Year.

Mayor Hank Warden
